

COLLEGE RADIO COALITION JOINT PROGRAM GUIDE

WHO WE ARE

Over the past several years, college radio has gained prominence as a source of new music, and has continued its role of presenting music which isn't normally heard on commercial radio. In 1982 four Cleveland area college stations united and formed the College Radio Coalition. We have since been joined by additional Cleveland area stations. The CRC is made up of the following member stations:

WBWC 88.3

WCSB 89.3

WOBC 91.5

WRUW 91.1

WUJC 88.7

The purpose of the CRC is to make more people aware of the existence of college stations as a source of diverse programming. By pooling the efforts and resources of our member stations, the College Radio Coalition is sponsoring concerts by bands who might not otherwise be seen in Cleveland. We are minimizing overlapping programming, and making listeners aware of shows on other member stations which might be of interest.

The CRC provides an informal structure for staff members to exchange ideas and resources on station management, public affairs programming, promotions and related issues so that we may continue to provide our listening audience with the best in alternative programming. The Coalition is also developing a network of associate college stations in other geographic areas.

The College Radio Coalition presents this joint program guide to inform you of all the diverse programming available on Cleveland college radio in the hope that you will listen. If you like what you hear, tell a friend!

Questions or comments can be directed to the general manager of each CRC member station.

WBWC 88.3, Baldwin Wallace College, Student Union Bldg., Berea, OH 44017

WCSB 89.3, Cleveland State University, Rhodes Tower 956, Cleveland, OH 44115

WOBC 91.5, Oberlin College, Wilder Hall, Oberlin, OH 44074

WRUW 91.1, Case Western Reserve University, 11220 Bellflower Rd., Cleveland, OH 44106

WUJC 88.7, John Carroll University, 20700 North Park Blvd., University Hts., OH 44118
